

To members of Lamborghini Club Norway

Reiter Engineering, also known as Lamborghini Kirchanschöring has the pleasure of being able to offer a 10% discount on all original Lamborghini parts to the members of Lamborghini Klubb Norge. The offer is valid from the 15th of February until the end of May.

In addition, we are proud to offer very competitive workshop prices of an hourly rate of 68 euro +VAT.

As an official Lamborghini service center Reiter Engineering has very skilled mechanics that divides their building and time fine-tuning our successful Lamborghini racing cars and working on development and maintenance of Lamborghini street cars.

Our workshop is located only 15 minutes outside Salzburg in a small town, on the German side, called Kirchanschöring. We can offer safe storage of your cars until you pick them up or have them transported to a destination of your choice.

Please feel free to visit our website: <http://www.reiter-engineering.com/en/> or <http://www.lamborghini.com/en/dealers-service/service/service-locator#!/general/239>

We are pleased to provide you a detailed insight into our «fast world»!

Sincerely,

Stig Larsen
